# ■ DESKO MPR 7100

## System

Small, versatile and easy-to-use, the DESKO MPR 7100 combines all reading functions in one device.

No power supply is required, there are many interface options and all readers are in one slot. The DESKO MPR 7100 will be the reliable hardware for your travel service or security application.

## Integrated Features:

### Passport/Reader (OCR)

Bi-directional swipe reader for all ICAO conform travel documents, ID cards, passports, visas as well as TAT, ATB1 + ATB2 tickets. Easy handling guarantees an excellent read rate and user acceptance.

### Magstripe Reader (MSR)

Bi-directional swipe reader for all magnetic based cards and documents, ATB1/2 tickets, credit and debit cards as well as any type of customer and service card.

### Bar Code Reader (BCR)

Simply connect any bar code scanner, handheld or stationary to the MPR 7100 and the on board decoder will decode all 1D and 2D bar codes such as Code 39, 2 of 5 IATA, Code 128, PDF 417, Aztech.

## Interface

The MPR 7100 is available with PS/2, AT Keyboard Wedge, RS232 and USB interfaces.

## E-Passports

The new ICAO compliant, biometric passports with RF-Chip "e-Passports" are specified. With the MPR 7100 used in connection with the DESKO 7100 e-Passport reader, your manual stations will be ready for the future of biometric passports.

## Technical Data

$V_{cc}$ :	5V +/-5%
$I_{cc}$ :	205 mA max.
Certifications:	CE, FCC, TÜV
Dimensions:	265 (10,4) x 68 (2,6) x 62 (2,4) mm (inch)
Reliability:	MTBF = 80.000 h

A maximum of flexibility and reliability, combined with a minimum of investment required for integration and cost of ownership, make DESKO's MPR 7100 the first choice for demanding applications.
